

Patrice HELLO

- Full professor at University Paris-Sud, Orsay.
- Leader of the Virgo Group at LAL (Laboratoire de l'Accélérateur Linéaire).
- Convener of the Virgo Burst Group from 1997 to 2010, co-convenor of the LSC-Virgo Burst Group from 2007 to 2010.
- Interests in gravitational-wave detectors design, optical modelling, non-linear effects in suspended cavities, data analysis, searches for burst sources of gravitational waves.
- “Habilitation à diriger des recherches”, 1996.
- PhD Thesis, 1990.
